

**Family in Christ has a BIG Heart for the World  
(Did we REALLY do all that?)**

Feeding the Hungry. Taking in Strangers. Clothing the Needy. Visiting Prisoners. Saving Lives. This is what Jesus asks us to do. This year you entered a partnership with Jesus to change the world, through love, grace, and mercy, by offering your time and money. We presented needs and you opened your hearts to hurting people. We want to celebrate with you by remembering what has moved us to “do good” in our community and in the world.

The following list only represents church sponsored projects. There are dozens of others that individuals and Life Groups have been involved with.
