Almighty, Most Holy God

D A D G Bm A
Almighty, most holy God, faithful through the ages
D A D G D A D
Almighty, most holy Lord, glorious almighty God

A D A D
The beasts of the field, the birds of the air
D A
Are silent to call out Your name
A D A D
The earth has no voice, and I have no choice
D A
But to magnify God unashamed
Em A D G
Let the rocks be kept silent for one more day
Em A D A
Let the whole world sing out, let the people say . . .

A D A D
Well time marches on, with innocence gone
D A
And darkness has covered the earth
A D A D
But His spirit still dwells, He speaks it is well
D A
And the hopeless still offered new birth
Em A D G
He will break the leash of death, it will have no sting
Em A D A
Let the prisoners go free, join the dance and sing
