Breathe On Me

C G
Breathe on me, breath of God
C D
Make me humble and weak
C
And use my brokenness to turn my heart
Em
Back to where You are
C D
So my eyes are made to see Your beauty
C
When you breathe on me

D C
Sunlight opens my eyes
D C
The wind makes me shiver
D C
Starlit skies draw me close to You
D C
You show me in all things You'll deliver
