D            A            Em  
Light of the world You stepped down into darkness  
D            A            G  
Opened my eyes, let me see  
D            A            Em  
Beauty that made this heart adore You  
D            A            G  
Hope of a life spent with You

          A        D                    A/C#  
Here I am to worship – Here I am to bow down  
                  D/F#                    G  
Here I am to say that You're my God  
                          D                    A/C#  
You're altogether lovely – altogether worthy  
                  D/F#                    G  
Altogether wonderful to me

D            A            Em  
King of all days oh so highly exalted  
D            A            G  
Glorious in heaven above  
D            A            Em  
Humbly You came to the earth You created  
D            A            G  
All for love's sake became poor

          A/C# D/F#        G  
I'll never know how much it cost  
          A/C# D/F# G  
To see my sin upon that cross
